

DISTRICT 14 2021-2022 GNT CONDITIONS OF CONTEST

Players in ANY Online or In-Person team games in District 14 during the months of September-March qualify to play in the District semi-finals in May (dates below).

District Semifinals are 1 day/2 session Swiss team events with the format based on attendance. These games will take place on Bridgebase Online.

Open Flight – Saturday, May 14 (10:00 & 1:30)

Flight B (0-2500) – Sunday, May 15 (10:00 & 1:30)

Flight A (0-6000) – Saturday, May 21 (10:00 & 1:30)

Flight C (0-500 NLM) – Sunday, May 22 (10:00 & 1:30)

Teams need to register at the latest, by noon the day before their flight's semi-finals begin (see dates above). Each team will pay a fee of \$60 for the Swiss event, then \$60 for those teams which go on to the first day of the finals in June, and finally the two finals teams \$60 for the final.

Each event will generate the four teams to play in the District 14 Finals. The first place finisher in the District Semifinal will select from the 3rd or 4th place finishers to be their opponents in the first stage of the Finals.

The Finals to determine each flight's representation will take place on the weekend of June 18 and 19, with two 26-board segments between the remaining contending teams on Saturday to determine the two teams which will compete on Sunday.

The winner of the finals of each event will represent District 14 in Providence, RI at the NABC July 13-17. If Flight B or Flight C begins the event with 8 or more teams, 2 teams will be qualified to represent the District at the NABC.
