ROCHESTER DUPLICATE BRIDGE CLUB
MAY 2021
Covid19 edition

Happy spring, everybody! The April showers have brought May flowers, at least a couple in my garden. Hope your May is bright and sunny, even though we can't see our friends' smiling faces at the bridge table.

Genny Rice sends her sincere gratitude for the many cards and calls following the loss of her daughter. Our bridge community is such a caring and supportive group. What a joy to know our bridge friends sympathize and care for each other!

Our local online game schedule is as follows:
Monday, 12:30 – Open Pairs
Tuesday, 12:30 – 0-499 NLM pairs
Wednesday, 12:30 – Open pairs
Thursday, 12:30 – Northfield hosted Open Pairs
Thursday, 6:30 – Open Pairs
Friday, 12:30 – 0-499 NLM pairs

Congratulations to all! That's quite a showing by our club.

Once again, we will participate in "The Longest Day", Saturday, June 19, with games at 10 am, 1 pm, and 7 pm. This is an ACBL sponsored event in conjunction with the Alzheimer's Association. We are now registered as a team on the Alzheimer's Association website, with my name as team captain. Our goal this year is \$3000. At this point, we don't know what the future holds regarding club events. If we are still unable to play at the club, all donations will need to be made online or send your check to me, made out to Alzheimer's Association. You can make your donation any time – you don't have to wait until June. Click on our team to make your donation at Alzheimer's Association/Longest Day. As we get more information as to when we might open the club, I will keep you informed.

The facilities committee continues to look for a place to start face to face games. Thanks to all that completed the survey. Results are being tabulated and will be presented to the Board at their May 12th meeting.
